

MATTHEW ROWLEY

Freelance Lighting Camera Operator

I have over 10 years of experience creating video content for corporate, third sector and educational clients, as well as behind-the-scenes on corporate and feature film shoots. My personable nature and clear communication skills allow me to give effective direction on set and help clients attain their vision for a project in an achievable way.

EXPERIENCE

MattBox Film — Filmmaker & Camera Operator

2011 - PRESENT

I provide freelance video services for both creative content agencies and my own direct clients. My varied and often solo work requires me to perform a combination of the roles of Camera Operator, Producer and Editor, depending on the project.

Through agencies, I have worked on shoots for blue-chip clients such as Microsoft, Ernst & Young and Peroni. My own clients include Tommy Hilfiger and the charities BOSP and KIDS. Examples of my work include:

- Behind-the-scenes for Indeed Flex 2021 Christmas TV spot (Camera Op)
- Announcement film for the new Tommy Hilfiger x Timberland Collection (Producer, Camera Op, Editor)
- Heart surgery tutorials for The Royal College of Surgeons (Camera Op, Producer)
- Installation tutorial for Spiral Cellars (Camera Op, Editor)
- TUI Holiday Representative training films, Cape Verde (Camera Op)

EDUCATION

University of Kent — Drama & Multimedia BA (Hons) - 2:1

2008 - 2011

In this unique degree, I studied documentary film-making, special effects, 2D animation, and 3D modelling. This culminated in producing a short film as part of a final-year project.

CORE SKILLS

- Experience across a range of cameras | Sony, Canon & Black Magic Design
